On October 23, 2018, contractor bids were open for snow removal services for Will County Facilities to include Public Safety Complex, Animal Control, EMA Storage Facility, Health Department, Community Health Center, Sunny Hill, and Parking Lots around the new Courthouse. The start date of services will be timed according to completion dates of the new facilities.

The decision was to get pricing per snow event versus a total price for entire season to give the best price for Will County residents. The pricing schedule accounts for increases of snow and for sidewalk services. (Chart below)

The County had nine bidders at the Mandatory Pre-Bid. The County received five bids. Of the five bids, three bids were disqualified due to one not having liability insurance and two without proper bid bonds.

After reviewing deposits, prime certificate, references, forms, and pricing schedule data, my recommendations are as follows: Award the Snow Removal Contract to Trizzino Concrete, Plainfield, IL as the apparent low bidder for the first year with two option years starting December 1, 2018.
