RE: Electronic Recycling Collection Service for One-Day Event Bid Award

Summary

Staff recommends acceptance A-Team's bid to provide service at One-Day Electronic Collection Events. The estimated one-year total price for service at six events is \$54,000, several of which are expected to have 1,000 participants. This vendor will unload materials from vehicles, sort the materials on-site, pack materials into the semi-trailers supplied by Dynamic, the manufacturer funded vendor selected through the State Clearinghouse process that is assigned to Will County for the 2024 calendar year to perform the actual electronic recycling.

History

Over the course of the past seven years, Will County utilized A-Team Recyclers for Saturday One-Day Electronic Collection Events very successfully. The firm is professional, courteous and efficient. They are also located within Will County which has made their response time excellent. Residents continue to utilize Saturday collection events in addition to the Turn-Key collection sites and the permanent site in Lockport due to the inherent convenience of weekend hours.

Due to A-Team Recyclers being the successful vendor for the Turn-Key events, they can ensure that we never have an underweight semi-load taken from our one-day events. This reduces the risk for the County to incur unwanted and unexpected fines at unpredictable collection events.

Contract Cost Fixed Fee Breakdown

7 Hour Event is \$9,000 5 Hour Event is \$8,000 3 Hour Event is \$7,000
One Spring Electronic Event will be reimbursed by the operator of the Prairie View Landfill.

Bidders

The bid was e-mailed to multiple vendors. It was placed on the purchasing internet site – www.willcountyillinois.com and on www.demandstar.com. One contractor submitted a bid.

Evaluation/Recommendation

Several criteria were used to evaluate the qualifications and reliability of potential contractors, including, but not limited to: length of time the contractor has been in business, compliance with regulations, experience with similar clients, references, demonstrated understanding of the bid documents, conformity with specifications, inclusion of mandatory forms (proof of insurance, etc), proximity to the sites, and price.

Staff recommends contracting with A-Team Recyclers for Electronic Recycling Service at all One-Day Collection Events.
