Addendum #1 – April 25, 2025

We received the following questions regarding this RFQ:

Question #1: Will the county apply for and pay for permits?

Answer #1: The County will not be applying or paying for the building permit. It is the responsibility of the GC to submit to the City of Joliet and should be included in the price.

Question #22. Concerning painting:

A. What is the general color for the paneling? A light color will require more coats. A darker color less.

b. What is the general color on the base, casing and doors. Same as above

Answer #2: The County would expect the paint colors to be light to brighten the rooms. Additionally, the county expects any paint color to require more than one coat. Colors to be selected by owner upon award of contract
