WORDS AND FIGURES:

Where amounts are given in both words and figures, the words shall govern. If the amount is not written in words, the unit cost will take precedence over the extended price in case of a discrepancy in the multiplication.

BID/PERFORMANCE SECURITY:

A 10 % Bid Bond or Cashier’s Check made payable to the Will County Treasurer shall accompany each bid, attached to the front cover, as a guarantee that if the bid is accepted, a Contract will be entered into. **Money Orders or Company checks will not be accepted.** The Bid bond or cashier’s check will be returned to the unsuccessful bidder(s) after award of the contract has been made. The bid bond or cashier’s check of the successful bidder **shall be retained** by the County of Will as a performance bond until completion of the contract and shall be held for the entire length of the contract. If the county chooses to renew for a second and/ or third year, we will retain the bond until the contract expires, after which it will be returned.

NON-DISCRIMINATION:

The Contractor shall at all times observe and comply with any law, statute, regulation or the like relating in any way to civil rights including but not limited to 775 ILCS 10/1 et seq.

DEFAULT:

In case of default by the successful bidder, the County of Will may procure the articles or services from other sources and may deduct from any unpaid balance due the successful bidder any increase in cost to the county as a result of said default, or may collect against the bond or surety for excess costs so paid, and the prices paid by the County of Will shall be considered the prevailing market price at the time such purchase is made.

PRICES & QUANTITIES:

Prices quoted are for the Original Contract Period of twelve (12) months; from December 1, 2024, through November 30, 2025, and prices quoted for any subsequent renewals are subject to County Board approval and shall remain in effect throughout the respective Contract Periods. Consideration will be given to the bidder that offers an additional percentage discount if awarded the bid in its entirety and is found to be low bidder overall. Quantities are based on last year’s usage and are approximate figures. Quantities may vary.

If County extends the optional renewal for year(s) two and/or three, and no percent of increase has been listed on the bid form, the original first year rates shall apply.

ILLINOIS FREEDOM OF INFORMATION ACT:

Any and all submissions to the County of Will become the property of the County of Will and these and any late submissions will not be returned. Your proposal will be open to the public under the Illinois Freedom of Information Act (FOIA) (5 ILCS 140 et seq.) and other applicable laws and rules, unless you request in your proposal that we treat certain information as exempt. We will not honor requests to exempt entire proposals. You must show the specific grounds in

FOIA or other law or rule that support exempt treatment. If you request exempt treatment, you must submit an additional copy of the proposal with exempt information deleted. This copy must tell the general nature of the material removed and shall retain as much of the proposal as possible. In the event the County of Will receives a request for a document submitted, the County of Will shall provide notice to contractor as soon as practicable. Regardless, contractor will be responsible for any costs or damages associated with defending your request for exempt treatment. Furthermore, contractor warrants that County of Will's responses to requests for a document submitted that is not requested to be exempt will not violate the rights of any third party.

Please be advised that if your proposal is accepted by the County of Will all related records maintained by, provided to, or required to be provided to the County of Will during the contract duration are subject to FOIA. In the event the County of Will receives a request for a document relating to contractor, its provision of services, or the arranging for the provision of services, the County of Will shall provide notice to contractor as soon as practicable and, within the period available under FOIA, contractor may then identify those records, or portions thereof, that it in good faith believes to be exempt from production and the justification for such exemption, making reference to the specific FOIA provision applicable without simply making a general claim that the information is "confidential," "proprietary," "exempt from disclosure," or the like. Regardless, contractor will be responsible for any costs or damages associated with defending the request for exempt treatment. Furthermore, contractor will warrant that County of Will's responses to requests for a document relating to contractor, its provision of services, or the arranging for the provision of services, will not violate the rights of any third party.

Please be advised also that FOIA provides that any record in the possession of a party with whom the County of Will has contracted to perform a governmental function on behalf of the County of Will, and that directly relates to the governmental function and is not otherwise exempt under FOIA is considered a public record of the County of Will for purposes of FOIA. 5 ILCS 140/7(2). As such, upon request by the County of Will (or any of its officers, agents, employees or officials), the contractor shall provide to the County of Will at no cost and within the time frames of FOIA a copy of any "public record" as required by FOIA and in compliance with the provisions of FOIA. After request by the County of Will, contractor may then identify those records, or portions thereof, that it in good faith believes to be exempt from production and the justification for such exemption, making reference to the specific FOIA provision applicable without simply making a general claim that the information is "confidential," "proprietary," "exempt from disclosure," or the like. Regardless, contractor will be responsible for any costs or damages associated with defending the request for exempt treatment.

EVALUATION CRITERIA:

Several criteria will be used to evaluate the qualifications and reliability of potential Bidders, including, but not limited to: length of time the contractor has been in business, compliance with regulations, experience with similar clients, references, demonstrated understanding of the bid documents, conformity with specifications, inclusion of mandatory forms (proof of insurance, etc.) and price.

AWARDING OF BID:

Due to economical reasons this bid may be awarded in whole or in part split between bidders who have the lowest prices by line item. However, as stated above Consideration will be given to the bidder that offers an additional percentage discount if awarded the bid in its entirety and is found to be low bidder overall.

The bidder acknowledges the right of the County of Will to reject any bids in whole or in part not in compliance with the request for bids and the right to waive any non-material informalities or irregularities for any bid received and to accept the lowest responsible, responsive bid after all bids have been examined and evaluated.

The award will be based on the lowest responsible bid for the totals of the initial 12-month contract period and the two (2) optional one (1) year contracts.

Each of the following items shall be submitted by the bid time mentioned herein in order that the bid will be considered:

1. Bid Bond or Cashier's Check
2. **Signed** Copy of Prime Contractor Certification
3. **Signed** Bid Form
4. **Signed** Receipt of Addenda Form
5. One (1) Original and two (2) copies, clearly marked
