2025-72 14 W Jefferson Street Plaza Restoration Project Addendum #1 – April 11, 2025

**Please find the clarifications below from the pre-bid
meeting/walkthrough:**

#1: the four (4) existing brick/concrete benches located in the plaza are to be removed. There are two (2) on the east side and two (2) on the west side of the plaza.

#2: The two (2) stone picnic tables will require to be moved off the existing concrete before work begins, and replaced once the concrete is poured and cured, or once grass is established. Relocation can be coordinated with the County by the awarded vendor.
