Will County Executive,

Regarding RFP #2026-10 Medical Products for Sunny Hill Nursing Home of Will County:

On 9/25/25 three bids were submitted, received, and accepted by the Will County Purchasing Department for services that would provide Sunny Hill Nursing Home with Medical Products due to a bid renewal process and current contract expiration.

Therefore, bids were submitted to obtain the most competitive rates for consistent and high-quality medical products provision, to residents of Sunny Hill for a term of one (1) year with two (2) optional one (1) year renewals if the County chooses.

A total of two bids were received.

The **first** of two bids submitted for consideration for medical products is from *Edelwise, New Brunswick, NJ*. However, this bid was disqualified based on no bid bond submitted as required.

The **second** bid submitted for medical products consideration is from *Professional Medical, New Lenox, IL* with compensation to include the following:

A complete bid and total cost of \$90,721.12 for the first year. There is a 3% increase for the 2nd year bid, and a 3% increase for the 3rd year.

Therefore, I am recommending that the RFP #2026-10 Medical Products for Sunny Hill Nursing Home of Will County bid be awarded to **Professional Medical**, based on the overall cost effectiveness of this vital service. Professional Medical will be responsible for rendering the required services following local, state, and federal laws and regulations, facility policies and procedures, and community standards of practice.

Respectfully submitted,

Maggie McDowell, RN, LNHA
