RE: Recommendation to Award Bid for Full Body Scanning System at the River Valley Detention Center

Dear Mr. Lynn,

This letter serves as formal recommendation to award the bid for the furnishing, delivery, and installation of a full Body Scanning system at the River Valley Detention Center as outlined in the Request for Proposal (RFP #2025-89) issued on October 31, 2025. After a comprehensive review of all offers received in accordance with the evaluation criteria listed in the RFP, I recommend Secure Technology Value Solutions to be the most responsive and responsible bidder.

The evaluation was based on the following criteria:

- A. Specifications for Equipment
- B. Training and Support Requirements
- C. Maintenance and Service
- D. Delivery and Installation
- E. Decommissioning and Removal

Secure Technology Value Solutions' proposal demonstrates their product would meet and, in some instances, exceed the specifications listed in the RFP that would best fit our organization's needs.

Subject to legal counsel review and final County Executive approval, I recommend awarding the bid to Secure Technology Value Solutions at the address provided below.
