III. SCOPE of WORK, STAFFING and DUTIES

BACKGROUND INFORMATION:

Will County is in the northeastern part of Illinois and has approximately 700,000 residents. Of the 102 counties in Illinois, Will County is the 4th largest by population and 13th largest by area.

The Adult Redeploy Illinois Grant provides funding to local community supervision programs in exchange for reducing the number of individuals that jurisdiction sends to the Illinois Department of Corrections. This funding allows local programs to scale up and provide the services needed to safely divert individuals from the Illinois Department of Corrections.

Random and frequent drug testing is a cornerstone of any community supervision program and one of the Ten Key Components of Problem-Solving Courts. As Will County covers a large geographic area, many program participants lack reliable transportation, and drug testing is randomly assigned to participants each day, the program seeks to provide convenient ways for participants to drug test. The program accomplishes this by using a network of urgent care clinics to ensure that participants always have a convenient option to complete their required drug tests. Ensuring that participants are randomly and frequently tested for substances, even on weekends and holidays, increases public safety and increases the chances of success for the participants.

SCOPE OF WORK:

Will County has been awarded \$56,700 through the Adult Redeploy Illinois Grant for drug testing services. The County will supplement up to \$103,300 to provide continuing services for the contract period as needed.

 - Laboratory drug testing should adhere to the Department of Health and Human Services (HHS) substance cutoff levels for initial and confirmatory testing.
 - Bidder must have multiple locations within Will County to provide drug testing services.
 - Convenient access to drug testing facilities, with consideration for varying availability of reliable transportation to participants, is critical to the success of this program.
 - Bidder should include in their response a list of testing locations in Will County.
 - Bidder should have ability to test on nights, weekends, and holidays
 - Drug testing availability should accommodate a variety of participant scheduling needs, including evening testing
 - Bidders should include in their response a testing schedule for each testing location in Will County, noting regular testing hours, weekend testing hours, and holiday closures.
