We received the following questions regarding this Solicitation:

Question #1: Could you please clarify whether this solicitation will be awarded as an 'all-or-none' contract or on an individual line-item basis? Specifically, we represent a Minnesota-based fluids manufacturer and would like to confirm if vendors may submit a bid solely for the 5W-30 engine oil.

Answer #1: Will County reserves the right to award as a whole or split award, as deemed the best interest of the County.

Question #2: Will there be an opportunity to listen to the bid opening live via Teams, Zoom, conference call, etc.?

Answer #2: There is no remote viewing or listening of the bid opening available.

Question #3: The reference form indicated as part of the submittal seems to be missing from the bid packet.

Answer #3: Please see attachment A of this addendum for the reference form.
