2024-74 – Fuel Tank Replacement

Addendum #1 – August 7, 2024

We received the following questions regarding this RFP:

Question #1: Unit price for liquids water removed during project needs to be in the bid, per gallon price for all water which should include transportation, demurrage.

[Answer #1: Please see attached updated bid form](#)

Question #2: Unit price per ton for contaminated soil removed should be in this bid as well

[Answer #2: Please see attached updated bid form](#)

Question #3: confirm that all required environmental work for project is in the base bid, UST OSFM SITE ASSESSMENT, 20-45 DAY REPORTING, LUST REIMBURSEMENT SUBMITTAL, GEOLOGIST EXCAVATION OVERSIGHT WORK

[Answer #3: All environmental work shall include any and all necessary items such as UST OSFM SITE ASSESSMENT, 20-45 DAY REPORTING, LUST REIMBURSEMENT SUBMITTAL, GEOLOGIST EXCAVATION OVERSIGHT WORK, or anything else necessary to be in compliance with USEPA and OSFM](#)

Question #4: 1 invoice for payment upon completion will not work for a job of this size. We will need deposits to secure tanks and equipment and progress payments as work is completed

[Answer #4: Progressive invoicing/benchmark payments will be allowed](#)

Question #5: We would request obtaining the performance bond for each site separately before the beginning of each site. To obtain 1 bond for all 3 sites would be too costly and difficult to obtain.

[Answer #5: The County will not adjust bond requirements for this solicitation.](#)
